COMMENTS

Before start of Sales Sample production you must confirm delivery and quantity. A sample in size L for approval must be delivered. Note that if a purchase order is placed for the specific style Bestseller doesn't pay for sales samples as this is included in the quoted price. The freight expenses are at the suppliers account. If the salesmen samples arrive later than stated ETA on the sample order we feel free to cancel the sample order.

We recommend using recommended suppliers for trimming. Kindly note that price negotiation with trim suppliers are your responsibility. Find the complete list of all trims in details at the JACK & JONES Sourcing Site.

For hangtags and woven labels, A-TEX is our nominated supplier. You must order from A-TEX from your account and negotiate own terms. For sample orders we only request colour swatch's for all colour's marked SWATCH in the comments field at the order. The following article numbers should be used from A-TEX: JJ2002 for sticker info and JJ2003 for string and metal ring. Packing instruction can be found at sourcing site. Do only order the needed amount.

Hangtag and labelling must follow the requirements found at the JACK & JONES Business Procedure Manual on the JACK & JONES Sourcing Site. For express orders: If Sales Samples are not available latest 4 weeks from when the order is placed, it may be object of cancellation, if no other agreement is made upon order confirmation.

PACKING

Packing to be in regards to the environmental protection, limiting the use of polybags as much as possible and should be estimated in accordance with the style. Pack all samples in a separate recycled polyester polybag.

Packing is to be in accordance with the JACK & JONES logisticS manual on the JACK & JONES Sourcing Site. Any updates can always be found on this site.

Each style must be packed and sent separately, unless any other agreement has been made with the buyer. In general we do not accept part shipments.

The boxes must be clearly marked with a sticker on the side of the box with the following information: sales samples, brand, buyer, style name, color, quantity, supplier name and attention person at the sample warehouse. The weight of any box must not exceed 16 kg. The size of the box must match with the size of the content. As a minimum standard, we require double layered corrugated cardboard. Closing of the carton must be in accordance to the JACK & JONES logistics manual.

Any Sample Order should be seen as a regular order, and the documentation should be made accordingly. Please make separate sample invoices for different brands. Please note that the shipment should enclose a Certificate of Origin if the amount exceeds 1000 DKK and an Export License if the category demands it.

All sales samples must be addressed to:
